

WYOMING COUNTY HISTORICAL SOCIETY
Soldiers, Sailors and Marines History Database

We are collecting information for the Wyoming County Historical Society records. We are currently working on World War I & II soldiers but we are also collecting information on all soldiers who have served in the Armed Forces, who have lived in the Wyoming County area or who have since moved into the Wyoming County area. Also any relatives that you know may have served would be appreciated.

THANK YOU !

FULL NAME _____
(Please include nicknames)

CURRENT ADDRESS: _____

PARENTS NAMES (Please include Mother's maiden name) _____

BIRTH DATE AND PLACE OF BIRTH _____
